

PLAY BOATER X RACE

Stonycreek Rendezvous

Date: Saturday April 25, 2009

Time: Registration begins at 8:30 am to 9:30 am at the Canyon Put-in - Foustwell
Race Start at 10:00 am

Format: Heats of 4-5 boaters paddle from above showers rapid and sprint for about 50-60 yards to pass a Beach ball which will be anchored out in the river as the finish line. Paddlers can take any line through the rapid as long as they pass the beach ball on the river left side. Light contact with other boaters is allowed and expected, however boaters who appear to deliberately injure a fellow competitor will be disqualified. Word of the Judge (That's me Jason Rigby) is final no arguments.

First and second place from each heat will advance to a final heat consisting of the top 4-5 boaters.

Classes: Boaters must be in a playboat to participate. Participants should have a reliable whitewater roll, and must be comfortable with self rescue in a class 3-4 rapid

Will potentially have two different categories to accommodate newer and older playboats which could potentially be a foot or more of length difference.

Junior 17 and under both junior boys and girls will be combined unless significant #'s dictate otherwise.
